Promotion participation made easy

To participate, you must have a direct deposit account set up and validated to receive your Cashback rebates and have a promotions POC selected in your My.Rheem company account. The promotions POC will receive all promotion communications. All ProClub points will be accumulated and accessible through the Promotions POC user account. Rheem will automatically enroll you into the promotion but rebates will not be paid to you until your direct deposit is set up and validated, the promotions POC is selected and promotions Terms and Conditions are approved. After you are enrolled in the Spring Pro Partner™ promotion, you will receive an email notification from Rheem confirming your enrollment and program details. You must have a user account on My.Rheem.com in order to submit claims for promotions. See Terms & Conditions for further details.

Hassle-free rebate filing through SMART

The new SMART (Serial Multi-Action Registration Tool) streamlines the registration process by allowing homeowners, contractors and distributors to file for warranty and promotions—such as CashBack, ProClub and financing—all at the same time. Whether you're registering through RegisterMyUnit.com, the Rheem App or My.Rheem, SMART ensures everything is handled in one simple, convenient step.

This all-in-one solution saves time, reduces errors and makes the registration experience smarter than ever. Eligible rebate claim submissions begin February 1, 2026, and must be submitted within 30 days of installation date to be considered eligible for payment. CashBack rebates will be paid to your business via direct deposit. The payment method is set up by you in your My.Rheem dashboard and must be complete before your first claim entry.

More information regarding direct deposit methods and promotions POC will be available in January 2026. The *Residential KwikComfort® Financing* rebate will be applied to your direct deposit account set up with Synchrony every 7 days following claim approval. See Terms & Conditions for more details.

Optional savings for homeowners

It's up to you if you want to keep the full rebate, or pass along the rebate to your customers. We will not promote any rebate offers to homeowners.

Pro Partner reporting

You will be able to view, customize and download reporting for your claims in My.Rheem.com. There, you can also review all claim details submitted, payment status and more. Additional information to come in January 2026.
